William I. Graf Award / All-time IHA/IHC recipients

Note: Watertown's **Italian-American Civic Association** established the **William I. Graf Award** in 1954 to honor the top graduating male athletes at **Watertown High School** and **Immaculate Heart Academy/Immaculate Heart Central**. In 1977, the award was first presented to the top male and female graduating athletes at both WHS and IHA/IHC. The Graf Award was discontinued at IHA/IHC in 1979 when, in its place, the **Italian-American Civic Association** established the **Clarence "Boots" Gaffney Award** and began presenting it to the top graduating male and female athletes.
