

Northern New York Community Foundation

Their story is our story.

Since 1929, the **Northern New York Community Foundation** has been a place where life stories are told and have a permanent home in the fabric of our region. During the past year, the following individuals remembered their community through their will or other legacy planning; their families chose to name the Community Foundation for memorial tributes, including establishing a fund in their memory; a memorial fund was transferred to the care and stewardship of the Community Foundation; or they were a longtime donor to the Friends of the Foundation Community Betterment Annual Fund.
